**Make this 4th of July Menu Pop like Fireworks
With the newly launched Volcano Grenadine Burst®!**

Santa Monica, June 14th, 2013 – Dream Foods International, LLC (www.dreamfoods.com), a specialist in organic citrus juices from Sicily, Italy, wishes you and your family a patriotic, fun-filled Independence Day. The newly launched organic Volcano Grenadine Burst® is sure to make any backyard celebration a memorable one. It is USDA organic with natural berry coloring and no harsh preservatives, which is unlike most grenadine products that contain high fructose corn syrup, chemical colors and preservatives. Today's market shows how those types of ingredients are increasingly unacceptable to consumers.

Organic grenadine will appeal to those who use it for marinades, glazes, desserts and for the mixologists making cocktails and Shirley Temples for the kids. And parents can feel better about using an organic product when making these festive recipes.
