Booth # 811**

Santa Monica, October 22, 2012 – Dream Foods International, LLC, (www.dreamfoods.com), a specialist in organic citrus juices, is proud to announce the launch of their new organic Italian Volcano® Lemon and Lime Juices, which are made from fragrant organic lemons and limes for a fresh-squeezed taste. The 16.9oz (500ml) glass bottles are USDA organic, OU kosher, have no preservatives and follow the award-winning organic blood orange, tangerine and lemon juices in the product line.

“I am sure at PMA this year we will see the continual increase in organic options in produce. Both the Italian Volcano® Lemon and Lime Juices are a natural extension of our Italian Volcano® Juice line. Like our other products, these are high quality juices with great flavor. More than ever we are seeing that consumers no longer accept harsh preservatives in their food and beverages, which gives us reason to anticipate great success for these products,” says Adriana Kahane President and Founder of Dream Foods International, LLC.

Sales and Business Development Manager, David Dalessandro says, “Our sales team is excited to offer organic lemon and lime juices in 500ml glass bottles to meet the demands of those consumers who find that quantity more convenient. Organic lime juice is an important trendy flavor that appeals to those who use it for cocktails, marinades, sauces and desserts.”

Dream Foods is looking forward to their future success with Italian Volcano® Lemon and Lime Juices and continues their efforts in bringing new organic citrus juice products to market with an uncompromising adherence to quality. The suggested retail of Italian Volcano® Lemon and Lime Juices are \$4.59 and \$4.79 respectively.
