Santa Monica, CA, December 17, 2008 - Dream Foods International, LLC (www.dreamfoods.com), a specialized importer of not-from-concentrate citrus varietal juices, is donating organic juice to One Voice, a Santa Monica based nonprofit organization helping families living at poverty level, assisting in the organization's efforts to ensure local families in need of assistance are provided with a healthy and well-rounded meal for the holidays. Dream Foods has donated 2,500 each of *Volcano Lemon Burst*® and *Volcano Lime Burst*® to One Voice that will be included in gift baskets containing the *Volcano Burst*®, a turkey, rolls, carrots, squash, potatoes, yams, onions, rice, beans, bags of apples and oranges, candy, a fresh apple pie and various canned goods. In addition, a number of Dream Foods employees and their families will join other volunteers at the Barker Hanger in Santa Monica on December 18th to assist over 2,000 volunteers in sorting and packaging all of this much needed food.

"There are always going to be people in need during the holiday season. It seems as though this year, as families battle to keep their heads above water in this harsh economic climate, there are going to be even more people fighting to ensure they have a happy and healthy holiday. Those of us who have prospered during these tough times have a responsibility to our community to do anything we can to help families meet this aim," said Adriana Kahane, CEO and founder of Dream Foods International. "Including *Volcano Lemon and Lime Burst*® with this donated food is such a simple way to add fresh taste and unique flavor to a holiday meal and adding these organic juices is a great way to increase the health benefits of these meals. Dream Foods is pleased to assist a group whose philosophy reiterates how each of us can make a difference and how together we can create a community of caring to help those in need."

Making a Difference in the Spirit of the Holidays

Dream Foods is pleased to assist One Voice's Holiday Food Program which provides food baskets, books and toys to over 2,500 families (12,500 people) living in poverty in the Los Angeles community. Over 2,000 volunteers work together to personally package and distribute the toys, books and food to deserving families. "Living in poverty during the holiday season is particularly tough when there are so few resources to make the holidays special. We've found an organization in One Voice that takes significant action to help those in need. In this spirit, Dream Foods is also participating in the Salvation Army's Adopt A Family program this year, providing food and holiday gifts to a family of seven and we at Dream Foods encourage anyone who is able to contribute what they can to groups which are helping the needy this Christmas," added sales manager, Michelle Hankins.
