Valentine's Romance with Volcano Grenadine Burst®
Delight your Valentine with a smoothie!

Santa Monica, February 10, 2014 – This Valentine's Day, surprise loved ones by making them a delicious smoothie using Dream Foods International's organic, Volcano Grenadine Burst®.

Grenadine, pomegranate syrup, is used in beverages, dressings, marinades, and sauces. But until the release of Volcano Grenadine Burst®, it has not been available in a USDA organic version. With a naturally occurring bright red color, Grenadine makes an excellent addition to smoothies, icing, and baking, giving foods a bright red color without any additives or artificial colors.

For a fun, unique Valentine's treat, try our Volcano Grenadine Burst® smoothie.
