## Casa Mexicana® Launches New Rice Lime Garlic and Yellow Rice

SANTA MONICA, July 25, 2017 – Dream Foods International, LLC, ([www.dreamfoods.com](http://www.dreamfoods.com)), the owner of Casa Mexicana®, is known for bringing the wonderfully rich and diverse cuisine of Mexico to the dinner table. The robust flavor comes from the kitchens of Mexico where the delicious smell of chilies, cilantro, and onion mix together with other herbs and spices.

Now the brand is expanding on the success of Cilantro Rice and Mexican Rice by launching two new mouth-watering flavors. Lime Garlic Rice is created in the traditional recipes of Mexico by bringing the flavor of lime, garlic, and cilantro to the taste buds. Yellow Rice gets its vibrant color from turmeric and saffron. Turmeric, which is actually called *curcuma* in Spanish, is very popular for its anti-inflammatory properties. Both rice flavors pair wonderfully with Casa Mexicana® taco seasoning mixes or just about any favorite dish.

Now consumers can choose from Casa Mexicana® Cilantro Rice, Mexican Rice, Lime Garlic Rice, and Yellow Rice. Home cooking has never been easier with convenient, easy to prepare dishes that deliver the best Mexican food experience to the dinner table. Casa Mexicana® products are simple to prepare so there is more time to enjoy with your family.

Casa Mexicana® long grain rice is rich in heritage, big on taste, and regionally diverse. It is made from all-natural ingredients and does not have artificial preservatives. The SRP is \$3.49 per box.

Supermarket chain Sprouts will begin selling both new flavors in their stores this September.
