**Volcano Lemon and Lime Burst®**  
**New Look, Better Taste!**

SANTA MONICA, April 3, 2017 – Dream Foods International, LLC, ([www.dreamfoods.com](http://www.dreamfoods.com)), a specialist in organic juice from Sicily, unveils new and improved changes to Volcano Lemon and Lime Burst® squeeze bottles.

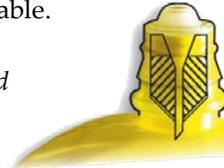

The same great tasting Volcano Burst® is now better than ever with new attractive packaging, and even better flavor from an improved cap filled with organic essential oil.

Volcano Burst® is unique and special because the cap has a reservoir filled with organic essential oil. Every squeeze of Volcano Burst® adds just the right amount of oil to the juice, like the zest of squeezing a fresh lemon or lime. Other lemon and lime squeeze bottles mix oil into the juice formula, which will oxidize and lose flavor and nutrients over time.

Researchers say 80 percent of the flavors we taste come from what we smell. The organic essential oil in the cap of Volcano Burst® preserves the aromas and flavor until the bottle is squeezed, bringing unparalleled freshness to the table.

*Premium flavor and aroma of fresh-squeezed juice, with organic essential oil in the cap.*

Volcano Lemon and Lime Burst® squeeze bottles are among the most popular juice products available from Dream Foods. It's easy to fall in love with the fresh aroma and delicious taste of the made-with-organic citrus which is grown and squeezed in Sicily. Volcano Burst® is sold at Winn Dixie, Whole Foods, Wegmans, Sprouts, Kroger, Raley's, Fred Meyer, and stores throughout the US and Canada with a SRP of \$2.49 for the 200ml size and \$1.79 for the 100ml size. Consumers looking to add a burst of flavor to meals and beverages can find them in produce, seafood, and sometimes the grocery aisle.

Dream Foods frequently donates surplus inventory of Volcano Burst® to *Feed the Children*, a non-profit relief organization whose stated mission is "providing hope and resources for those without life's essentials".
